“ I miss you so much Andrea, my heart is pouring out today.. I just can't wrap my head around the fact that you and Sammy are gone. You, Sammy, and Michelle were my childhood and I thank you guys for such great memories. Going into adulthood it has taken me a long time to accept a loss as a loss, and this is one of those times. Rest in Paradise and prosper always my fallen angels.

“ It's been 1 year without you guys and it's still unbelievable. You guys were my first friends when I moved to Pennsylvania. And I would've never thought, not in a million years, that you guys would've left us so quickly. You guys are truly missed and loved by many. Love you guys.
