

Angela M. Mistkowski

February 19, 2017

Angela M. Mistkowski, 33, of Cresco, died as a result of injuries sustained in a motorcycle accident, on Sunday, February 19, 2017. Born in East Stroudsburg, she was a daughter of Terri (Miller) Kerr of Saylorsburg and the late Joseph Mistkowski. Angela kept company with the best of people: real, raw, heart on your sleeve kind of people. Her free spirit and energy were contagious whether she was at home or work, outside or on the dance floor. She spent her growing up years in upstate New York where she bonded friendships that are still strong today. Her adult years were spent in the Poconos, where she most recently worked at Fed-Ex in Pocono Summit. Here, she was a friend to many, loyal and strong, a force to be reckoned with but a kind-hearted soul with an open door policy to any friend who needed her. She will be with us always and we can find solace in the fact that we were blessed to call her family, whether by blood or by choice. In addition to her mother, she is survived by her children Jason and Alissa Strunk of Cresco; brothers, Anthony Mistkowski and his partner, Laura Feldman of Tannersville, and Andrew Mistkowski and his partner, Ashley Frable of Roseto; stepfather, Richard Kerr of East Stroudsburg; stepmother, Allison Haga of Richfield Springs, New York; her mother's partner, Vincent Recker of Saylorsburg; and nieces and nephews. In lieu of flowers, memorial donations may be made to the Angela Mistkowski Memorial, all proceeds will go towards benefiting her children. Donations can be made at any NBT Bank or mailed to NBT BANK 5009 Windsor Drive Bartonsville, Pa 18321 There will be a viewing from 10 a.m. to 1 p.m. Saturday, February 25, 2017 at Bolock Funeral Home, 6148 Paradise Valley Road, Cresco. There will be a spiritual gathering at 1 p.m. at the funeral home. Until then.... Life is Short, Wear the Boots

“ Condolences for the tragic loss of your daughter. Life seems so unfair to lose someone so young. Revelation 21 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore." For more comforting scriptures please visit//bit.ly/1K38EFt. It has given me hope, strengthened my faith and helped me to find out why? I know it will do the same for you. Again, I offer my sincere condolences to you and family members.

“ I first meet Angie a few years ago. She is a great friend to my daughter Kristen Fox. I came back to Pennsylvania on vacation to visit with my daughters and grand-daughters. Kristen introduces me to Angie, and let me say without a doubt, my first impression was right one, what a wonderful person. I felt so warm and welcomed by Angie. Her personality was as bright as the sun, she was like a drug that I became addicted too immediately. She said; I could talk with you for hours, lol. If she only knew how well I enjoyed her and so very happy Kristen had Angela in her life. How blessed these girls are to have each other. Angie suspected she may be pregnant with her 2nd child, I seen she was a loving mother to her son and having another child would be a blessing, not only to her and the family but to the world. And a blessing they are. You, young lady have been an example, a leader, a teacher of love, joy, happiness and strength. People were drawn to your vibrant personality and your Independence. Never hurting anyone on your way of personal growth. Many have admired you, knowing that they would never reach that level of Positive energy, just being near you was satisfaction enough. I thank you Angela for being a devoted mother, a loyal friend to many and a loving daughter. Knowing you has made me a better person in a small way. With all the ugliness in the world, it was you who made it disappear for a short time I pray for your babies, the heart ache they must be going through is unbearable to imagine. Leaving them was not of your choice, but God's will. He has a plan for all of us, a plan not to be questioned, although by nature we do. I pray for peace and comfort among your family and friends. I pray that you have made such a impression in our lives that we live as better people and share that among others who have not had the opportunity of your "ray of sunshine".
God Bless you

“ We are so saddened by the loss of Angela. She babysat our sons for us when she was in high school here in central New York. She was very sweet and had an infectious smile. Her picture is priceless. Our condolences to her family and friends. Ride on Angela!!
