“ In my own times of grief and loss, I have searched for the words, and I have found none. All I can offer is my love, my thoughts, and prayers. Anything you need, just ask.

“ My very deepest condolences to Carol Orleski's family, especially my former colleague Michael Orleski. I will always have a reminder of her in her wonderful homemade gifts. I sing a Threshold Choir song to her, "May eternal light surround you, everlasting arms be around you, know that love has bound you to our hearts, know that love has bound you to our hearts."
