“ Inspector Bishop, I worked for you in the 77 many years ago. I also had a house in the Poconos and I visited you. I'm so sorry for your family. You were an amazing Commanding Officer to work for. More than that you were a great man it was an honor to personally know you. I still remember you telling me that your wife loved feeding the wild animals in the back yard. She truly did enjoy feeding them. I did t know that you had passed until last month. I found your obituary and now I'm able to say Rest In Peace my friend. It was a pleasure knowing you and working for you.
