“ To my dearest Aunt Flo and Godmother. My fondest memory that we shared together was when you got me pet little frogs/tadpoles. Even the ugliest creatures you seen the beauty in. I remember when you told me to put the tadpoles /frogs in a cup until we got a cage. I played with them in my spare time and one jumped out of my hands. I was scared that the frog will never return. You came inside my room and helped me rescue the frog and place it back in the cup of water. I admire your sense of finding beauty in even the ugliest creatures and things of life. You were strong and zealous. Thank you for being there for me through life's up and downs. You helped me grown into a beautiful young lady that I am today. I love you forever and always in my heart.

“ Dearest Dawn and Family,

Thank you for the opportunity to serve and bless your Mom and family.

I enjoyed our time together very much. Florence was very humorous even unto the end. Strong for us all...and the amazing love and care from daughter Dawn and sister Maryann was simply beautiful.

Praying for lots of love, courage and strength today and in the days to come. The Lord bless you and keep you this day and always,
