“ Dear Maria, Christine and Ricky , Our deepest sympathy goes out to all of you . Henry was a wonderful man and will be deeply missed. He loved his family very much. He will walk beside you all every day. You'll never stop missing him and their will always be an empty place in your heart. Know in time you will be able to talk about him and find comfort in the fact that he was such a wonderful man without pain but with happiness that you had him for the time you did. Henry was called home way to early .For reasons we will never know , it was in the lords master plan. Please know that we are all here for you . We love and support you all. May God bless you all . “ My heart is very heavy and very sad to hear of the passing of Henry. Met Henry many years ago when our sons were playing baseball. He was always there coaching and cheering the team on. He was taken to early in his life but he left us with so many memories and that great big smile of his.
