“ We are both so sorry for the loss of Jack. We played golf on a league together for many years among other activities we shared. My wife, Rusty became the dues collector for the golf league & she liked Jack very much. He joked around with her as well.

We remember how he suffered with hip pain for years. When he finally had his replacement surgery, he came back to play golf again. He told us it was the best thing he ever did. He said it was a lot of work to recover but it was so worth it. We were amazed to see him looking younger being without pain.

Dolores made a wonderful afghan for us as a wedding gift in 1993. We know how they adored & respected each other all the years they were married. Jack was a good friend & a very nice person & we will miss him dearly.

Rest in peace Jack. Give our love to Dolores when you meet up with her again in Heaven.

Sincerely,
Wayne & Edna Dippre
