“ I am greatly sadden by Mike passing and send my heartfelt condolences to his family. Mike was my friend and an important part of my family's business for thirty years. His skill, great energy and cheerful spirit was an important and significant part the success of JA Reinhardt & Co. More important, I remember Mike as a guy whose greatest pleasure in life were his kids and giving back to the community through baseball and other activities. A life well lived. He will be missed.

My sincere condolences and prayers to you and your family. May you find strength in one another to get through this very difficult time. Your father was a very kind and gentle man. I have fond memories of us laughing very hard with he and your mom. God Bless.
