“ We are so sorry to hear the news that Pat has passed away. He was such a genuine, kind-hearted, good man! It has been too long since we last seen him, but we have so many wonderful memories. He answered the phone with a smile, he greeted us with open arms when our family came to visit. He was a wonderful cook and could whip up the most amazing simple meal in no time with a gourmet presentation! A wonderful cook-definitely! He made great ice coffee, I often think of him when I'm drinking it. He was so smart about random things and current events, I always enjoyed talking to Pat. He had a great sense of humor and even laughed at his own jokes, I'm smiling thinking about his laugh. He cherished his family and shared stories. He was good to me, Jack and the boys. Pat & Patty brightened our days with their kindness and love. They showed nothing but love to us. We are lucky to have had special times shared with them. Sending our love and condolences to all of you. It was wonderful seeing you tonight. Take care xo
