We're so sad to hear of Vivian's passing. She always seemed so indestructible. Vivian freely shared of herself, her time and her knowledge. And she knew so much about so many things! She taught Bert and I how to pluck chickens and she taught our mother how to garden. As kids, spending time at her's and Forest's house was always an adventure! Our deepest sympathies to Justin, Jody and Joel and their families. She was a great lady!

Very sadly read of Vivian's passing. We went through Barrett School together, and were members of the Class of 1954. There were 21 of us! Vivian was a pretty blonde, with a quick smile, and a big heart. My deepest sympathy to the Price and Miller families, and especially to her twin, Dale.
