“ So sorry to learn of little Bill's passing. He is with Frank now and they are no longer battling that damnable illness. Remember the better times and that he is no longer in pain. They are always near keeping us safe and through our daily challenges. Both left us much too soon. I am thankful for our kids and the many memories we made. Loved Bill's smile and laugh. Guess they are having a big family reunion in heaven. Take one day at a time. With deepest sympathy from our family. Ruth Orgitano

“ Susan & Billy,

I am so sorry for your loss. I remember Bill's great sense of humor. He was lucky to have you and Jay in his life.

Hopefully he is in a better place without any suffering and at peace.

My Deepest Sympathy,

“ I only had the opportunity to work with Bill for a short time, but PFBC is a small community and WCOs are an even smaller family so we all knew one another. That family is now grieving along with yours and will remember Bill fondly as a colleague and friend.
