“ My deepest sympathies to the Zacheiss family on Bill's passing. Bill is my oldest friend. We met in kindergarten at Roosevelt School. We played basketball and football at the Manor Park. We even played on the same Little League baseball team, sponsored by Carvel Ice Cream. Our team was terrible and we rarely got the free ice cream for winning, although that wasn't Bill's fault, who was a great pitcher even back then. Bill was friends with his neighbor Gerald Ficeto, whose mother would always try to fatten us up with great Italian food whenever we were over his house. Bill, Gerald and I then attended Lincoln Junior High where we met Ray Cirz and the 4 of us became fast friends and we would walk home from school everyday together. We later met Joe Mastrolia at Kearny High School and a lifetime group friendship started. I had so many good times with Bill, from riding up and down Kearny Avenue (the ave) with our "muscle cars"; to going to the clubs in New York; to going down the Jersey Shore; to the "Pocs" and sneaking into Mt. Airy Lodge to use their pool...you can rest assured that Bill lived life to the fullest. Joe posted a picture of us at Bill's Wedding. The same photo is hanging in my living room.

I thank Bill for so many happy memories. I will never forget him. I am sorry to see him go, but I know he is now pain-free and with his Maker. God bless you all,
Matt Sumner

“ Anna, my deepest condolences to you and your family. It seems that it's always the really great ones that God takes first. Bill was always kind, humble, and a caring person and his deep affection for you and his family was always evident in everything he did. I am so sorry that you are going through the difficulty that you are. Let me know if there's any thing that I/we could do. Many blessings and love.

Love,

“ My deepest condolences to Ann and Bill's family. I am deeply saddened by Bill's passing. Bill and I were close friends throughout High School, College, and into our mid 20's. We would spend a lot of time together just hanging out, talking, and doing stuff. Playing basketball, lifting weights, or me watching Bill pitch in a Baseball game. He had an awesome arm. We would often just get in the car and drive somewhere on an adventure, whether it be Stokes State Forest for an overnight stay, Washington D.C., the Poconos or down the Shore. One of the pictures I have included is of Bill and I looking for my glasses on a jetty somewhere down the Shore that I had lost the night before, and yes, we found them! I was honored to be Bill's sponsor when he became a Catholic. Bill was a conversationalist who enjoyed meeting new people. He could make anyone feel at ease. I am grateful that Bill and I were able to reconnect over the past year. He will be greatly missed by his family, and all who knew him.. May he rest in peace.
